

DELHICACY

Indian Street Fusion

“I will open my restaurant in America” was just a random fantasy of a 10-yr old girl in the outskirts of New Delhi, India. And as destiny would have it, some 20+ years later DELHICACY, an Indian Street food restaurant opened in Cedar Rapids, Iowa.

At Delhicacy, my endeavor is to provide a unique trilogy: the vibrant **Indian culture**; the variety of **Street food, fusion** and **traditional curries**; and a **service** that speaks of Indian hospitality!

The menu is designed to introduce the **Street food**, that is so popular on the Streets of New Delhi, and across India, while also offering the **traditional curries and kebabs** that have, for decades, defined the Indian Cuisine.

With utmost gratitude, and folded hands, I welcome you to an **experience of Indian flavors!**
