

Indian Street Fusion

"I will open my restaurant in America" was just a random fantasy of a 10-yr old girl in the outskirts of New Delhi, India. And as destiny would have it, some 20+ years later DELHICACY, an Indian Street food restaurant opened in Cedar Rapids, Iowa.

At Delhicacy, my endeavor is to provide a unique trilogy: the vibrant <u>Indian culture</u>; the variety of <u>Street</u> <u>food</u>, <u>fusion</u> and <u>traditional curries</u>; and a <u>service</u> that speaks of Indian hospitality!

The menu is designed to intoduce the Street food, that is so popular on the Streets of New Delhi, and across India, while also offering the traditional curries and kebabs that have, for decades, defined the Indian Cuisine.

With utmost gratitude, and folded hands, I welcome you to an experience of Indian flavors!
